REPLY TO THE

NOTIFICATION OF MISSING REQUIREMENTS

This paper is in response to the formalities letter dated 2001 October 05.

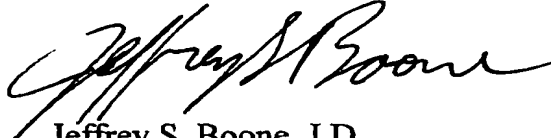

The formalities letter, as explained in a telephone conversation with Mr. John L. Anderson, was issued because the PCT proceedings showed one set of inventors (Alberto and Schibli), while the declaration submitted with this national phase application showed a different set of inventors (Alberto and Hafliger).

It is believed that the inventorship in the submitted declaration is proper. A request to substitute Hafliger as an inventor in place of Schibli was submitted to the EP/IPEA on 2001 March 09. Copies of that request and the PCT form 306 are attached hereto.

Authorization to Charge Deposit Account

In view of the fact that no new declaration is being submitted, it is Applicant's understanding that no fees are due. However, in the event of an error, it is requested that any fees due be charged to Deposit Account No. 13-1160.

Respectfully submitted,

Jeffrey S. Boone, J.D.

Re.: International Application No PCT/EP00/01553
in the name of: Mallinckrodt Inc. et al

In the above identified case it came to our attention that the inventors/applicants for the United States should not be Roger Alberto and Roger Schibli, but instead Roger Alberto and Pascal Häfliger. Pursuant to Rule 92^{bis} PCT I therefore request a recording of the change in inventor/applicant for the United States Roger Schibli into Pascal Häfliger.

Mr Häfliger's particulars are as follows:

HÄFLI GER, Pascal Jean-Marie

Av. de Villardin 14

CH-1009 PULLY

Switzerland

Enclosed is a Power of Attorney bearing Mr. Häfliger's signature.
